FTB

_____

Dear Hiring Manager,

I am writing to express my interest in the Staff, Digital Application Development Unit position at FTB, as advertised on LinkedIn. I am confident that my skills and experience align perfectly with the requirements for this role.

I specialize in building server-side applications using Node.js and Express.js. My experience includes working with both MongoDB and PostgreSQL databases, allowing me to choose the right solution based on project needs.

I have strong expertise in implementing secure authentication and authorization systems, including JWT tokens, and role-based access control. I regularly develop custom middleware for error handling, validation, logging, and security features.

I'm looking forward to my qualifications with you in more detail soon. I feel confident that I fulfill the requirements for the Staff, Digital Application Development Unit position. Thank you for your time and consideration.

Best regards,
Meas Vanchay
